The Executive Mindset: A Focus on Enterprise Leaders

To be a GREAT EXECUTIVE, you must THINK LIKE ONE.

Prepare students to be the great leaders of the future.

The Broad Integrative Fellows Program is pleased to present Barbara Cheng.

The Executive Mind Set. Connect the dots between the Classroom and the Boardroom. Explore how to collaborate with corporations and executives to inform your research, support your teaching, and develop cross-disciplinary perspectives. Spend some time with Barb exploring gaps that exist in the executive skill sets of today’s current and future leaders. Engage in a lively discussion of how educators can help develop the executive mindsets of undergraduate and graduate students. Leverage Barb’s experience as a leading executive training professional to learn some simple ways to begin to close the gap.

Barbara Singer Cheng is the founder, president, and CEO of Executive Core, leading a group of 100 global professionals whose mission is to more quickly innovate professional development globally.
