Teaching Assistant Seminar

Monday, August 24th
Anthony Hall

WEB ADDRESS: neighborhoods.msu.edu
EMAIL: nhds@msu.edu
Learning Outcomes

At the end of this session you will be able to:

1. Know campus and Engagement Center resources that will support you and your students

2. Know how to contact the resources that will support you and your students

3. Identify students who are in need of support

4. Help students who are facing challenges that could affect their academic success.

Engagement Centers

An Engagement Center:

- At the heart of the Neighborhood
- Where resources are provided for students
- Faculty, staff and students come together to foster student success
- Leadership development takes place
- Has meeting, studying and gathering space
Resources are categorized within 4 pillar areas:

- Academic Success
- Health and Wellness
- Intercultural Engagement
- Residential Support
